3. Other Risks

Additional risks identified for the Slipway (yet to be acquired)

These risks to be ratified as and when the slipway comes into ownership of the PC include:

Damage / injury from slips / falls in the event of ice in and around the slipway

The water can be fast flowing. There is a risk to the public of drowning.

Cars and boat trailers maneuver in this area and there is a public right of way past the slipway. There is a risk of collision

This risk is repeated with boats loading / offloading.

The PC should consider the provision of a life ring and notices and this risk assessment should be updated once the slipway is acquired.
