

<b>Building &amp; Location</b>	<b>Total</b>
Seems fine / ideal for village	5
Lower roof should make it less visible to neighbours	1
roof too low (compromise between previous design and this one?)	1
Entrance hall looks large	3
Building design uninspiring	1
Building design good	15
Good location	18
Good facilities	11
Put it in the field where there is nothing else (child)	1
Provided there is no impact on current playground or equipment	1
We don't need all that size and rooms (child)	1
Play area should be kept and improved	1
Like velux windows	1
Use a dummy flat roof with hip end over shop/foyer, better slope for solar and flat for green roof.	1
Consider uni-sex toilets	1
More natural light to main hall	1
Building appears large	1
Consider fencing off the rear	1
Shop/cafe layout needs detailed planning	2
Can shop have windows on the side like the hall?	1
Need disabled parking near the building	1
Shop kitchen needs a window	1
Look is too basic/dated	2
Brilliant idea, fantastic resource	1
Put it on The Glebe	1
Change the position / angle to be more aesthetic / away from boundaries	2
foyer area too big - make café bigger, not to be extended in to foyer	4
Café looks like an after thought.	1
Move to be adjacent to a main road, to get more passing trade	1
add French doors from hall to outside space	1
Catering for large events, will hall kitchen be enough / could shop be used when closed?	1
Serious concerns about viability of the shop / will café be viable enough to pay staff?	3
Worried about villagers paying for a building which a lot of non villagers will be using	2
Put it on The Park	1
too many windows / security risk	1
why are there two kitchens.	1
village archives need a home	1
will the shop have a fenced area?	1
need an externally accessed toilet	1
boh kitchens should be commercil grade to get most benefit / use.	1
	<b>96</b>

<b>Meeting Room</b>	<b>Total</b>
Keep it where it is	<b>8</b>
Good idea	<b>15</b>
Move meeting room to entrance hall	<b>1</b>
Move meeting room to rear of hall	<b>4</b>
Move kitchen to rear of hall	<b>2</b>
Is it too small?	<b>2</b>
Do we need a meeting room?	<b>3</b>
Toilet access if hall in use	<b>3</b>
no strong views	<b>1</b>
why is there a sink?	<b>3</b>
how can you use it if the hall is in use?	<b>2</b>
glass panels would better benefit the hall.	<b>3</b>
village archives cannot be stored in here (due to windows and sink)	<b>1</b>
	<b>48</b>

<b>Canopy</b>	<b>Total</b>
Canopy good as drawn	<b>13</b>
Prefer hard surface courtyard	<b>5</b>
Like canopy and courtyard	<b>5</b>
Veranda and Courtyard	<b>3</b>
Don't like metal and plastic	<b>4</b>
Don't like canopy	<b>3</b>
Veranda/canopy essential	<b>2</b>
Not sure canopy is the right design	<b>2</b>
And canopy over the meeting room entrance	<b>2</b>
Not glass	<b>1</b>
Roof extension supported by wooden posts	<b>3</b>
Not clear as marks show but translucent	<b>1</b>
Veranda not needed	<b>1</b>
Courtyard should be for the café to extend in to	<b>1</b>
no need for enclosure	<b>1</b>
should be cantilever from the roof, not a bolt on	<b>2</b>
will be difficult to keep clean	<b>2</b>
not glass, tiled instead, with brick pillars	<b>1</b>
no step, no rail	<b>1</b>
canopy needs to be bigger, and by shop only	<b>1</b>
veranda needs to be paved, not decked	<b>1</b>
either veranda OR courtyard, not both	<b>1</b>
	<b>56</b>

Exterior	Total
Natural, not plastic	2
Would prefer long-term easy maintenance option	4
Prefer brick, as easy maintenance	7
Good blend of wood and brick	4
Like a wooden look	9
A natural colour	1
Practical, easy to maintain, unobtrusive	1
Add some brick and flint to reflect local styles	1
Roof finish looks out of keeping with local area	1
Please provide options	1
Make it more barn-like with horizontal timbers	2
Soften the design	2
Bricks fine, wood should be unpainted	1
looks fine	1
use low maintenance cement based weatherboarding	1
wood boards, painted black, preferred.	1
looks like a 1970s terrapin	1
Make sure cladding meets fire resistance requirements	1
add in metal guttering (no gutters shown in pictures)	1
	<b>42</b>

Eco-friendly attributes	Total
Like green roof idea	7
Green Roof unnecessary/ too much maintenance	10
Bore hole unnecessary	6
Bore hole makes sense	3
Rainwater harvesting makes sense	5
Building is for the future so has to be eco-friendly	5
As eco as possible within budget	10
Solar panels	16
Eco-friendly light bulbs	1
Eco-friendly wall paper	1
What about ground or air source heat pump?	2
Solar panels only if it makes money	1
Vital to be as insulated as possible	1
Very expensive initially / to maintain, are they essential?	2
Only grass roof if we intend to keep goats there!	1
living wall	1
Use recycled products	1
All good	1
keep hall/shop cost low by using photovoltaic cells.	2
use a biosolar roof	1
triple glazing	1
what handdrying facilities will be used?	1
Electric Car Charging points.	1
	<b>80</b>

<b>Sports &amp; Passtimes</b>	<b>Total</b>
Zumba	2
Have storage facility for equipment	1
Table tennis	1
Fitness classes	1
PE	1
Rock climbing wall	2
School use	1
Interested in several of those listed	1
Diverse usage for all ages	1
Flooring to support indoor activities not just sports	1
Good list	2
don't know the implications	1
as used now	2
encourage as much as possible	2
has floor surface been considered	1
increase roof height to attract more sports - consider re	1
no sports which need high roof	1
no colourful markings for school use	1
5-a-side	1
Make longer, for archery	1
	<b>25</b>

Shop	Total
Must keep trading	13
Car Park preferred option	15
Move to village hall	8
Problematical	2
Could you use the church?	1
Not in the hall / what about other hall users / security	3
Shop layout needs detailed planning	1
Can shop have windows on the side like the hall?	2
Shop kitchen needs a window	1
The shop entrance is not inviting. Put terrace on side with glass entrance doors	1
Move/Keep trading unless cost prohobitive	1
move elsewhere on rec during build	1
if it closes during the build may affect long term viaibility	2
whatever is best	1
keep office / toilet in situ, move shop part to a differnet area.	1
might use café occassionaly, maybe	1
	<b>54</b>

<b>General</b>	<b>Total</b>
Too many external doors	1
Appreciate all the hard work/Thanks	10
Keep it low and rural	1
Built in screen	1
Where do the bins go?	1
impressive progress	1
What about Glebe development?	1
If no Glebe how to cover funding shortfall	1
Timescales?	1
Envisaged usage of hall?	1
Timescales for grant applications?	1
Electrical connection for computer clubs	1
Free wi-fi	1
Brick BBQ in courtyard	1
Big wall on entrance could bne made more attractive with trellis/mural	1
The village would be very fortunate	1
Think this is by far the best idea	1
Ongoing concern on financial viability of shop, same issue with hall usage	2
How we use feedback from proposed questionnaire is essential	1
Can we get the grants?	1
Don't want increased hall hire charges	2
There are grants available for demonstratably eco buildings	1
more carparking would be good	1
can the footprint be pegged out, so people can see size, and poles for height	1
Who will clean / maintain access routes to constant use toilets	1
Will the interior trusses be natural or painted	1
Stage/greenroom/access/chair&table deconstruction concerns when stage is up.	1
media centre, where how, what to be installed	1
will the villagers see the plans before planning application is made?	1
Add more big fundraisers, SS 10K, beer festival, horseracing evening etc.	1
Ask other companies to quote for the final design	1
must have WiFi	1
Has 20% contingency been allowed for?	1
Why the rush to get to planning if housing development is far off.	1
